ALUPANELLITE

aluminium composite panel

An economical, dual-sided, reduced weight sheet designed for flat applications where a high load-bearing capacity is not required.

Lightweight,
for flat
applications

- ◆ Lightweight yet rigid
- ◆ Highly resistant to weather
- ◆ Uniform, flat surface
- ◆ 2 year guarantee*

MADE IN BRITAIN 

Alupanel Lite is a reduced weight sheet derived from a 0.20mm thick aluminum surface on both sides, featuring our superior polyethylene core.

Alupanel Lite is a dual-sided product with a high gloss finish on one side – the same PE paint finish as used on the premium Alupanel sheet – and a matte finish on the reverse.

Specifically designed for applications where a high load-bearing capacity is not required, Alupanel Lite offers a reduced weight, economical option for a variety of applications.

*Brushed finishes only have a 2-year warranty for internal use

** Colored brushed finishes (Gold, Bronze, New Copper, Black) are printable but do not have a digital finish or guarantee. Please test print first

Applications

- Direct Print **
- Sign making
- Wayfinding
- POS Displays
